

President

Name	Leslie Baker	Jeff Greenburg
Graduation year/major	Rutgers College 1981; Rutgers Graduate School NB 1983; Rutgers Law School 1986;	1981 Computer Science
Why do you want to be more involved in the Rutgers Club of Southern California?	To complete the projects that were started prior to Covid shutting everything down	To expand engagement among the thousands of inactive SoCal Rutgers alumni
Have you volunteered or served on a volunteer organization board before? If so, please describe position, duties, and activities.	RCSC President 2018 to present , RCSC Vice President 2015-1018; Culver Marina Bar Association - President 2010 - 2015, Vice President 2010	I've been Vice President of this club and currently serve on the RUAA Leadership Committee
What ideas do you have to grow club membership?	I would like to grow the Club both demographically and geographically. By that I mean I'd like to get younger alumni involved so that we can grow our next generation of leaders. To that end, I have in the past recruited young alumni to the Board and consulted with them regarding a networking event targeted to them. I would also like to increase participation of alumni in all of the counties that RCSC covers. I have worked hard to try to find people to organize social events in Ventura/Santa Barbara and in the Inland Empire to cover Riverside and San Bernardino counties. Because Southern California is so spread out, I'd like to have multiple events every month that are spread throughout the counties that we encompass. I'd particularly like to have casual events (happy hours, hikes, movie nights, casual brunch) spread out so that people don't always have to drive an hour or more to congregate with fellow alumni.	More programs and more proactive outreach to inactive SoCal Rutgers alumni
What ideas do you have for club events?	Speed networking targeted to young alumni; Trip to Reagan Presidential Library to see Air Force One; Breakfast and exploring Watts Tower in South Central LA; The Art of the Brick exhibit at the California Science Center; local happy hours in Ventura/Santa Barbara and in the Inland Empire to help local alumni connect closer to home; Christmas time at the Mission Inn in Riverside; brewery tour in DTLA; return trip to the Nethercutt Museum and Merle Norman Museum in Simi Valley; tour of the new SoFi stadium; hikes in Los Angeles and Orange County that had to be postponed due to Covid. Of course, I want our football game watching parties in LA and OC to resume because they are very popular and bring in new alumni. I would also like to have the new University President come speak to us, perhaps in conjunction with our bi-annual brunch. Lastly, I'd like to continue to have a few events each year on Zoom so that members don't always have to drive.	Instead of the board deciding this, I think we should ask the members what they want
What ideas do you have for fundraising?	Getting discounted tickets to sporting events (Angels game, soccer or hockey game, etc) and adding a few dollars to the ticket to go to the Club; getting hoodies with RCSC on them and charging a few dollars above the cost to the Club, as we did with the polo shirts we ordered a few years ago.	Before attempting to raise funds we need to establish stronger member relationships

Vice President

Name	Alan Davis	Jacob Quick
Graduation year/major	1968 History	2010/BS in Civil Engineering & 2015/MS in Civil Engineering
Why do you want to be more involved in the Rutgers Club of Southern California?	I've been involved for 40+ years.	I enjoy representing Rutgers and working with others that attended Rutgers. It is also great experience for me to serve on a board.
Have you volunteered or served on a volunteer organization board before? If so, please describe position, duties, and activities.	Yes. I've been on the board of RCSC for many years.	Yes, Treasurer of Rutgers Collegiate 4-H in 2010 and President of Rutgers Collegiate 4-H from 2007 to 2009. Treasurer - Managed all funds in the club, reimbursements prepare treasurer reports for meetings and worked with Rutgers University. President - Prepared meeting agendas, lead all meetings and supported events including community service events. Currently serving as Treasurer of Rutgers Club of Southern California since 2018. Manage all funds, prepare treasurer reports for quarterly meetings, reimbursements, coordination with Rutgers University and prepare annual tax returns.
What ideas do you have to grow club membership?		Social events that are virtual and in-person such as speed networking events and hiking events. Continue annual Angels vs Yankees Baseball game and annual LA Kings vs. NJ Devils Hockey game.
What ideas do you have for club events?	More mixers.	Add more community service events such as Beach Cleanups in each county that is part of the Rutgers Club of Southern California region including Ventura.
What ideas do you have for fundraising?		Continue annual Angels vs Yankees Baseball game and annual LA Kings vs. NJ Devils Hockey game for fundraising. Annual show or play as a fundraiser as well.

Recording Secretary

Name	Neda Farid	Andrew Stein
Graduation year/major	1986 Economics and English	2008 Global Affairs
Why do you want to be more involved in the Rutgers Club of Southern California?	To cultivate a positive culture of engagement and connection among Rutgers alumni in the region.	Seems like a good opportunity to work with people who care about Rutgers
Have you volunteered or served on a volunteer organization board before? If so, please describe position, duties, and activities.	I have held leadership positions such a President, Executive Vice President, Treasurer and Secretary of the following organizations: Soroptimist's International, Character and Ethics Project, Glendale Educational Foundation, Women's Club of Glendale, YMCA of the Foothills, as well as the Rutgers Club of Southern California. I also serve on the Rutgers University Alumni Association as a board member. I am an active volunteer with the Los Angeles Opera League and the Cedars-Sinai Medical Center Experience Collaborative,	No
What ideas do you have to grow club membership?	Create a robust calendar of activities that take place at highly visible and desirable venues in order to not only connect alumni with the university but also with the highlights of the region. Facilitating memorable experiences for alumni will cultivate their sense of connection with each other and with the university.	Smaller but more frequent meet and greet events so new people don't feel overwhelmed
What ideas do you have for club events?	An Annual Gala,(networking and fundraising) speaker series, Night Under the Stars at a summer venue like the Greek Theatre or Hollywood Bowl, Movie Monday once a month, Diversity Dinners to explore different cultures through food.	Activity-oriented events at places like Strikezon LA.
What ideas do you have for fundraising?	An Annual Gala to promote networking and fundraising. I would create fabulous event at a high profile venue where each year we would showcase a particular area of research being done at Rutgers and have that keynote speech inspire regional giving. When people learn what progress has been made through the generosity of previous patrons and understand what is possible with their support they are more likely to want to become long term partners in the goodwill. And, by creating one stellar event, it becomes the very best promotion for itself in the years that follow!	Raffles for Los Angeles's many unique experiences like going for a helicopter ride

Communications Chair

Name	Mark Jurash
Graduation year/major	1999 Accounting and Finance
Why do you want to be more involved in the Rutgers Club of Southern California?	I will be there to make sure we are all inclusive off all members and welcome new members.
Have you volunteered or served on a volunteer organization board before? If so, please describe position, duties, and activities.	Ambulance squad, participated on the ambulance squad by running on calls and being active in board meetings.
What ideas do you have to grow club membership?	Use of Social media and working with the Rutgers Alumni Association.
What ideas do you have for club events?	Hiking and group participation activities that the Alumni is not currently active with.
What ideas do you have for fundraising?	Raffles and a small mark-up for club events.
