

Rutgers Alumni Club of South Carolina Newsletter February, 2021

Message from the President of the Rutgers Alumni Club of South Carolina – Bob Rhinesmith

I hope that you and your families are well and safe. During this period of uncertainty and stress due to Covid-19, if you know of elderly or at-risk neighbors who may benefit by your attentiveness and kindness, please reach out. If there is anything your Club or your University can do to help get you through this period of uncertainty and anxiety, please let us know.

Your South Carolina Alumni Club Board has continued to work on promoting your Club and to improve and expand communications with all South Carolina alums.

We welcome any and all feedback to better serve you, our members. We continue to discuss and consider adding Chapters around our State so that there will be social events in reasonable driving distance of where you live, work and play. To do so however, requires volunteers to serve as Chapter Officers like you. If you have any interest in starting your own chapter in your region, with our help and support, please let us know.

I look forward to meeting and sharing experiences with all of you. Hope to see you at an alumni event soon. Don't forget that our Club and many others across this country are conducting virtual events which are fun and keep us Scarlet Forever!

Sincerely,

Robert Rhinesmith
President
Rutgers Club of South Carolina
